Re: Castaneda-Sandoval, Fernando Gustavo**October 6, 2022****Page 2**

This officer used corrective action to address Mr. Castaneda-Sandoval's behavior. Per the request of Mr. Castaneda-Sandoval, he will report daily, in person, to the probation office for structure and accountability. Mr. Castaneda-Sandoval continues to call the colorline drug testing program operated by Merit. He is to call daily and submit to at least eight random urinalysis tests per month.

Mr. Castaneda-Sandoval is engaged in substance abuse treatment at Comprehensive Health Care in Yakima, Washington. He has a mental health assessment scheduled for October 10, 2022, and should begin mental health treatment shortly after his assessment. Mr. Castaneda-Sandoval is using resources to assist him with his transition back into the community. He is learning how to live a drug free lifestyle; more importantly, he is being honest about his struggles and appears receptive to feedback to address his addiction to controlled substances.

Based on the above-noted information, this officer recommends no action be taken at this time so Mr. Castaneda-Sandoval can be afforded an opportunity to continue with his substance abuse and mental health treatment.

I declare under penalty of perjury that the foregoing is true and correct.
